PRIVATE SWIM LESSONS

Private and semi-private swim lessons provide individualized swim instruction to teach water safety and skill development in a learn-to-swim progression that is designed to meet the individual needs of the swimmer. Private sessions are perfect for those who prefer individual instruction (one-to-one with a certified Swim Instructor). Classes are held during recreation or lap swim times. Instructors tailor to the participant's needs following the five Y swim lesson components. Small group or family classes can also be arranged. We will call to schedule an appointment with you soon. You must pay for your session prior to your lesson. Cancellations must be made 24 hours in advance of scheduled lesson.

Please answer the following questions:

1. When is the best time for you or your child to have a private lesson?
2. Do you have a preferred instructor for yourself or your child? If so, who?
3. What are your goals and expectations for registering for private swim lessons?
4. What roadblocks or fears do you or your child have when it comes to swimming?
